À LA CARTE I REGIONAL & ALPIN

A Warm Welcome to Our Restaurant

We are delighted to welcome you to our establishment. For our ingredients, we work closely with regional farmers – and we are especially pleased that some of them are farmers from the Ötztal valley. Our fish comes from the Ötztal fish farm in Längenfeld, which is also home to our house butcher, who supplies us with chamois meat from various Tyrolean hunters as well as Tyrolean beef. In addition to beef from our own farm, our butter and milk come exclusively from our own estate. Our goat cheese is sourced directly from Obergurgl, from the Goas dairy run by Martin Grüner. Wherever possible, we obtain our fruit and vegetables from farmers in the Inntal valley.
